

## Making Big Foot!

### Materials:

- Box
- Old flip flops
- Hot glue gun
- Tape
- Scissors
- Glue
- Markers

### Directions:

1. Cut the box so you have the two large sides lying flat
2. Draw a foot on each one, don't forget the toes
3. Color the toenails with the markers
4. Cut the feet out
5. Glue or tape flip flops in the middle of each foot
6. Now go on your big foot scavenger hunt found [here](#).

Example, you do not have to use balls for the toes!
