**B**

**I**

**N**

**G**

**O**

**There's a New Game in Town:** Make up a [new game](#) with a neighbor and invite someone to play

**Engineer It!** Use found and recycled materials to create a [Rube Goldberg machine](#) with your family

**Serve Up Community:** Serve a special holiday celebration dish and learn about [what it means to your community culturally](#)

**Family Game Night:** Enjoy an evening filled with family-fun games. Need an idea? Play animal charades!

**Create a Masterpiece!** Use materials you find inside to create a piece of art as a family

**Flower Power:** Learn to fold [origami flowers](#) and create a paper garden indoors

**Mindful Sound:** Create a [sound map](#) of all the things you hear inside your home

**Cold, Warm, Hot:** Play an indoor [hide and seek game](#) with everyday objects

**Twinkling Trail:** Go for a "holiday lights walk" around your neighborhood

**View from My Window:** Look outside your window and use your senses to be [mindful of your environment](#)

**Winter Writing:** Imagine a wintery day and [write a nature-inspired haiku](#) about it

**Speed Friending:** Use [silly and speedy conversation starters](#) to get to know a neighbor!

**FREE PLAY**

**Lend a Hand:** Find a volunteer opportunity in your community

**Over, Under, Through:** Create an indoor obstacle course to stay active inside

**Listen, Walk, and Talk!** Explore a science career with [The Walking Classroom](#) podcast

**Puzzling Pictures:** Draw a picture and cut it into puzzle pieces for a family member or friend to solve

**Not a Box:** Create an indoor play space [using a cardboard box](#)

**Feel the Beat!** Have an [indoor dance party](#) with your family

**Practice Giving:** Sort your items and choose some to gift in your local [Buy Nothing Group](#)

**Inside OUT!** Spend 15 minutes [playing outside](#) at least three times this week

**A Long Winter's Nap:** Learn about an animal's winter hibernation patterns

**Garden Grower:** [Plant an indoor herb](#) to use in the kitchen. Try to find 5 different ways to use your herb once it's grown!

**Running Through the Forest:** Take an imaginary hike and visualize your adventure while staying indoors

**Star Stories:** Set up an imaginary campsite and tell a story about the most incredible thing you've seen in the sky
