

**Draw or describe  
the plants you see  
around you.**

---

---

---

---

---

---

---

---

---

---

**Look for different types of rocks and draw or describe them.**

---

---

---

---

---

---

---

---

---

---

**Observe the sky and  
record what you see –  
clouds, colors, stars.**

---

---

---

---

---

---

---

---

---

---

**Draw or describe  
an insect you find in  
nature.**

---

---
